# READY FOR A CHALLENGE?

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$45 = \text{dog with bow} + \text{dog with bow} + \text{dog with bow}$$

$$\text{dog with bone} = \text{dog with bone} + \text{dog with bone}$$

$$27 = \text{dog with beard} + \text{dog with bow} + \text{dog with beard}$$

$$34 = \text{dog with bone} + \text{dog with bone} + 18$$

$$\text{dog with beard} + \text{dog with bow} - \text{dog with bone} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Poodle w/ Bow=15

Terrier=6

Husky=8

Dog w/ Bone=4

?=17
