

Name: _____

NO SHAVE NOVEMBER!

No Shave November is a unique month-long event where participants forgo shaving to raise cancer awareness and support charity, symbolizing solidarity with those battling illness and raising funds for charity through their natural, untrimmed hair growth.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$110 = \text{man} + \text{man} + \text{shampoo} + \text{razor}$$

$$\text{brush} \times 11 \div 2 = \text{shampoo} + \text{razor}$$

$$\text{perfume} + \text{drop} \times 4 \times \text{perfume} + \text{drop} = 256$$

$$\text{brush} = \text{perfume} + \text{drop}$$

$$\text{man} + \text{perfume} + \text{drop} \times \text{brush} - \text{shampoo} + \text{razor} = ?$$

My Answer: ? = _____

Answer Key:

Man=33

Shaving Cream=44

Comb=8

Beard Oil=8

?=53

Fun Fact: No Shave November originally started as a fun, grassroots effort on social media and quickly evolved into a global movement, with participants from all over the world embracing their hair, which many cancer patients lose, to raise funds for cancer research and education.
