$$\text{Pretzel} + 7 = \text{Overalls}$$

$$\text{Overalls} - \text{Girl} = 2$$

$$\text{Girl} + \text{Pretzel} = ?$$

My Answer: ? = _____

Answer Key:

Pretzel=3

Lederhosen=10

Woman=8

?=5

Fun Fact: Lederhosen, the traditional Bavarian attire often associated with Oktoberfest, were originally not a costume but practical workwear for Bavarian peasants. Made from durable leather, Lederhosen were designed to withstand hard physical labor and were a staple in the everyday wardrobe of working-class men in the Alpine regions of Bavaria and Austria. Over time, they evolved into a symbol of regional pride and are now a popular and iconic outfit for festive occasions, especially during Oktoberfest.
