

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

$$\text{Ice cream cone} = 36 \quad \text{Glass of milk} = 6 \quad \text{Cookie} = 9$$

1) $0.5 \times \text{Ice cream cone} = \text{Glass of milk} + \text{Glass of milk} + \text{Glass of milk}$

2) $\text{Cookie} \times 0.4 = \text{Ice cream cone}$

3) $\text{Ice cream cone} \div \text{Glass of milk} = \text{Glass of milk}$

My Answer: _____

Key: 2
