# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

The following equations have

= 5 as a solution.

$$1) \frac{2}{5} \left( \text{pancake} \right) + 17 = 19$$

$$2) 8 \left( \text{pancake} \right) + 3 = 10 \left( \text{pancake} \right) - 7$$

$$3) -1 \left( \text{pancake} \right) - 3 = \text{pancake} - 8$$

My Answer: \_\_\_\_\_

Key: 3
