

Name: _____

HAPPY PEEPS DAY!

Peeps Day, celebrated on April 5th, is a whimsically sweet day dedicated to the colorful, marshmallowy goodness of Peeps, those sugary, animal-shaped treats that have become a springtime and Easter favorite for their squishy texture and sugary exterior.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Peep} + \text{Peep} + \text{Panda} = 100$$

$$\text{Rabbit} \times \text{Cat} \times 4 = 256$$

$$\text{Cat} \times \text{Peep} = 88$$

$$\text{Rabbit} = \text{Cat}$$

$$\text{Peep} \times \text{Cat} + \text{Panda} - \text{Rabbit} = ?$$

My Answer: ? = _____

Answer Key:

Chick=11

Bunny=8

Cat=8

Panda=78

?=158

Fun Fact: Peeps, the famous marshmallow candies, were originally just shaped like baby chicks for Easter, but now you can find them in a whole zoo of shapes from bunnies to frogs, and even unicorns, showing how these sweet treats have hopped and flown their way into all sorts of fun forms.
