

Name: _____

HAPPY PEEPS DAY!

Peeps Day, celebrated on April 5th, is a whimsically sweet day dedicated to the colorful, marshmallowy goodness of Peeps, those sugary, animal-shaped treats that have become a springtime and Easter favorite for their squishy texture and sugary exterior.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Peep} + \text{Peep} = 6$$

$$5 + \text{Peep} = \text{Bunny}$$

$$\text{Bunny} - \text{Cat} = 1$$

$$\text{Bunny} + \text{Cat} + \text{Peep} = ?$$

My Answer: ? = _____

Answer Key:

Chick=3

Bunny=8

Cat=7

?=16

Fun Fact: Peeps, the famous marshmallow candies, were originally just shaped like baby chicks for Easter, but now you can find them in a whole zoo of shapes from bunnies to frogs, and even unicorns, showing how these sweet treats have hopped and flown their way into all sorts of fun forms.
