

Name: _____

HAPPY PISTACHIO DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Ice Cream Cup} = \text{Pistachio} + \text{Ice Cream Cone} + \text{Macaron}$$

$$\text{Ice Cream Cone} = \text{Pistachio} + \text{Pistachio}$$

$$96 \div \text{Macaron} = 12$$

$$144 = \text{Ice Cream Cone} \times \text{Ice Cream Cone}$$

$$\text{Pistachio} \times \text{Macaron} + \text{Ice Cream Cone} + \text{Ice Cream Cup} = ?$$

My Answer: ? = _____

Key:

Pistachios=6

Ice Cream Cone=12

Ice Cream Cup=26

Macaroon=8

?=86
