

Name: _____

Celebrate Pride Month!

Pride Month, observed throughout June, is a vibrant celebration of the LGBTQ+ community, promoting equality, acceptance, and the freedom to express one's true identity, marked by colorful parades, educational events, and demonstrations of solidarity and support worldwide.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Hand icon} = \text{Heart icon} + \text{PRIDE sunglasses icon} + \text{Heart icon}$$

$$272 \div \text{Flag icon} = 17$$

$$\text{Flag icon} = \text{Heart icon} \div \text{PRIDE sunglasses icon}$$

$$\text{Heart icon} = \text{Flag icon} \times 12 - 48$$

$$\text{Heart icon} + \text{PRIDE sunglasses icon} \times \text{Flag icon} + \text{Hand icon} = ?$$

My Answer: ? = _____

Answer Key:

Heart=144

Glasses=9

Pride Flag=16

Bracelet=297

?=585

Fun Fact: The rainbow flag, also known as the Pride flag, was created by artist Gilbert Baker in 1978 and is a symbol of LGBTQ+ pride and social movements. Each color on the flag has a specific meaning, like red for life, orange for healing, and green for nature, making it a symbol of diversity and inclusion.
