# HAPPY FIND A RAINBOW DAY!

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Rainbow} + \text{Rainbow} + \text{Unicorn} = 35$$

$$\text{Rainbow} \times \text{Unicorn} = 48$$

$$\text{Unicorn} \times \text{Unicorn} \times \text{Unicorn} = \text{Rainbow Banner}$$

$$135 \div \text{Rainbow Banner} = \text{Pot of Gold}$$

$$\text{Rainbow} + \text{Pot of Gold} \times \text{Unicorn} - \text{Rainbow Banner} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Rainbow=16

Unicorn=3

Pot of Gold=5

Pride Flag=27

?=4
