HAPPY GET CAUGHT READING MONTH!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Robot reading} + \text{Bookshelf} + \text{Robot reading} = 25$$

$$\text{Bookshelf} = \text{Robot reading} \times 3$$

$$\text{Open book} \times \text{Open book} = 64$$

$$40 \div \text{Open book} = \text{Book with worm}$$

$$\text{Robot reading} + \text{Open book} + \text{Book with worm} + \text{Bookshelf} = ?$$
