

Name: _____

HAPPY GET CAUGHT READING MONTH!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Robot Reading} + \text{Bookshelf} + \text{Robot Reading} = 120$$

$$\text{Bookshelf} = 3 \times \text{Robot Reading}$$

$$\text{Hands Reading} \times \text{Hands Reading} \div 2 = 72$$

$$108 \div \text{Hands Reading} = \text{Worm Reading} + 1$$

$$\text{Robot Reading} + \text{Hands Reading} \times \text{Worm Reading} - \text{Bookshelf} = ?$$

My Answer: ? = _____

Key:

Robot=24

Bookshelf=72

Book Worm=8

Orange Book=12

?=48
