

Name: \_\_\_\_\_

# HAPPY RUBBER DUCKY DAY!

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$20 = \text{duck} + \text{bar of soap} + \text{duck}$$

$$\text{bar of soap} + \text{bar of soap} + \text{bathtub} = 12$$

$$\text{bathtub} = \text{bar of soap}$$

$$\text{duck with hat} = \text{bar of soap} - 3$$

$$\text{duck with hat} + \text{bar of soap} + \text{bathtub} + \text{duck} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Rubber Ducky=8

Rubber Ducky w/ Helmet=1

Bubble Bath=4

Soap=4

?=17
