

Name: _____

HAPPY STEM DAY!

National STEM Day, celebrated on November 8th, is dedicated to encouraging curiosity and excitement in the fields of science, technology, engineering, and mathematics, inspiring students and educators alike to explore and innovate in these vital and ever-evolving fields.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

 +  +  = 

5 ×  = 35

 ÷  = 10

 ×  -  = 30

 +  +  +  = ?

My Answer: ? = _____

Answer Key:

Robot=87

Test Tubes=7

Pully System=70

Mathematics=10

?=174

Fun Fact: National STEM Day is celebrated on November 8th because N-O-V8 is a fun abbreviation for *innovate* or *innovation*, which is a core principle of the STEM movement.
