

Name: _____

HAPPY SANDWICH DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Sandwich} \times 6 \times \text{Burger} = 150$$

$$\text{Sandwich} + 6 \times 6 + \text{Burger} = 46$$

$$\text{Sandwich} \times \text{Candy} = 80$$

$$\text{Soda} - \text{Candy} = 92$$

$$\text{Soda} - \text{Sandwich} \times \text{Burger} - \text{Candy} = ?$$

My Answer: ? = _____

Key:

White Bread Sandwich=5

Sub=5

Chips=8

Soda=100

?=67
