

Name: _____

HAPPY WORLD SMILE DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Smiley with sunglasses} \times \text{Dog face} = \text{Smiling heart with sparkles}$$

$$\text{Green alien face} - \text{Smiling heart with sparkles} = 8$$

$$\text{Smiling heart with sparkles} = \text{Dog face}$$

$$\text{Green alien face} \times \text{Green alien face} = 100$$

$$\text{Green alien face} \div \text{Smiling heart with sparkles} \times \text{Smiley with sunglasses} = ?$$
