

Name: _____

Spicy Guacamole Day!

Spicy Guacamole Day is a zesty culinary celebration dedicated to the beloved and versatile avocado dip, enhanced with a kick of heat from chili peppers or hot sauce, inviting guacamole lovers to experiment with flavors and enjoy this delicious and healthy treat.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Bowl of Guacamole} + \text{Bowl of Guacamole} = 16$$

$$\text{Chili Pepper} + \text{Bowl of Guacamole} = 14$$

$$\text{Avocado} - \text{Chili Pepper} = 4$$

$$\text{Bowl of Guacamole} + \text{Avocado} = ?$$

My Answer: ? = _____

Answer Key:

Guacamole=8

Hot Pepper=6

Avocado=10

?=18

Fun Fact: Guacamole's roots can be traced back to the Aztecs in Mexico, who originally made it with just avocados and salt, and it has since evolved into a popular global dish with countless variations, blending cultures and flavors.
