Name: _____

HOW OLD IS LORENZO?

Directions: Carefully read the brain teaser below and find the solution.

When Lucky the Leprechaun was 8 years old, his younger brother, Lorenzo, was half his age.

If Lucky is 100 years old today, how old is Lorenzo?

My Answer: Lorenzo the Leprechaun is _____ years old.

ANSWER KEY

Lorenzo is 96 years old (he is 4 years younger than Lucky).
