

Name: _____

SUPER BOWL SUNDAY!

Super Bowl Sunday is the highly anticipated championship NFL football game, marked by a culmination of the season's top two teams competing against each other, an extravagant and star-studded halftime show, high-profile commercials, and watch parties around the world!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Bowl of chips} + \text{Blue helmet} + \text{Blue helmet} = 32$$

$$\text{Green player} + \text{Stadium} + \text{Green player} = 21$$

$$\text{Bowl of chips} = \text{Green player} - 3$$

$$\text{Green player} = \text{Stadium}$$

$$\text{Bowl of chips} + \text{Stadium} + \text{Blue helmet} + \text{Green player} = ?$$

My Answer: ? = _____

Answer Key:

Football Helmet=14

Football Player=7

Halftime Show=7

Chips and Dip=4

?=32

Fun Fact: Super Bowl commercials have become almost as famous as the game itself, with companies often spending millions of dollars for a 30-second spot, leading to some of the most creative, memorable, and sometimes even controversial ads in television history.
