

Name: _____

HAPPY SWEET POTATO DAY!

Sweet Potato Day, celebrated on February 22nd, is a day dedicated to appreciating the sweet potato, a nutritious and versatile root vegetable, by enjoying it in various culinary forms, from baked and mashed to sweet potato fries and pies!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Sweet Potato} + \text{Sweet Potato} = 10$$

$$\text{Sweet Potato} - \text{Cinnamon Sticks} = 3$$

$$\text{Pie} + \text{Cinnamon Sticks} = 5$$

$$\text{Sweet Potato} + \text{Pie} = ?$$

My Answer: ? = _____

Answer Key:

Sweet Potato=5

Cinnamon=2

Butter=3

?=8

Fun Fact: Sweet potatoes come in a surprising array of colors, from the familiar orange to purple, white, and even pink, with each color variation offering different flavors and nutritional profiles, making them a colorful and healthy choice for a variety of dishes.
