

Name: _____

HAPPY TEDDY BEAR DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Brown Bear} + \text{Basket of Toys} = 15$$

$$\text{Yellow Bear with Party Hat} + \text{Purple Bear} = 26$$

$$\text{Purple Bear} \div \text{Yellow Bear with Party Hat} = 1$$

$$\text{Yellow Bear with Party Hat} - \text{Brown Bear} = 3$$

$$\text{Basket of Toys} + \text{Brown Bear} - \text{Purple Bear} = ?$$

My Answer: ? = _____

Key:

Brown Teddy Bear=10

Pink Teddy Bear=13

Birthday Bear=13

Toy Box=5

?=2
