

Name: _____

WORLD TELEVISION DAY!

World Television Day, observed on November 21st, commemorates the date in 1996 when the United Nations held the first World Television Forum, celebrating television as a significant medium for educating, channeling information, and promoting mutual understanding.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{TV} + \text{TV} + \text{TV} = 18$$

$$\text{Remote} + \text{TV} = 10$$

$$\text{Remote} + 3 = \text{YouTube}$$

$$\text{Remote} + \text{YouTube} + \text{TV} = ?$$

My Answer: ? = _____

Answer Key:

Flatscreen TV=6

Remote Control=4

Streaming=7

?=17

Fun Fact: Modern televisions are so advanced that some can display over one billion colors, providing incredibly lifelike images.
