# Happy Thanksgiving!

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

Number of Pies Sold

A) On Day 3, the number of blueberry pies sold was the same as the number of cherry pies sold.

B) The total number of blueberry pies sold on Days 6 and 7 combined was 1,300.

C) There were 200 more blueberry pies sold than cherry pies sold on Day 4.

My Answer: _____

Answer Key: B
