

Name: _____

HAPPY THRIFT SHOP DAY!

Thrift Shop Day, celebrated on August 17th, is a day dedicated to promoting and appreciating thrift stores for their role in sustainable shopping, offering affordable and unique items while also supporting charitable causes and reducing waste.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Jacket} + \text{Jacket} + \text{Jacket} = 75$$

$$\text{Jacket} \times \text{Pants} = 100$$

$$\text{Pants} \times \text{Pants} = \text{Shoe}$$

$$\text{Shoe} + \text{Shoe} = \text{Sunglasses}$$

$$\text{Jacket} + \text{Shoe} + \text{Pants} + \text{Sunglasses} = ?$$

My Answer: ? = _____

Answer Key:

Jacket=25

Pants=4

Sunglasses=32

Sneaker=16

?=77

Fun Fact: Thrift shopping not only benefits consumers with budget-friendly and often one-of-a-kind items, but it's also environmentally beneficial. Buying used items from thrift stores helps reduce waste and the carbon footprint associated with producing new goods, making thrift shopping a popular choice for those who are environmentally conscious and looking to make more sustainable lifestyle choices.
