# HAPPY THRIFT SHOP DAY!

Thrift Shop Day, celebrated on August 17th, is a day dedicated to promoting and appreciating thrift stores for their role in sustainable shopping, offering affordable and unique items while also supporting charitable causes and reducing waste.

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Jacket} + \text{Jacket} + \text{Jacket} = 15$$

$$\text{Jacket} + \text{Pants} = 9$$

$$\text{Pants} + 3 = \text{Glasses}$$

$$\text{Jacket} + \text{Glasses} = ?$$

My Answer: ? = \_\_\_\_\_

Answer Key:

Jacket=5

Pants=4

Sunglasses=7

**?=12**

**Fun Fact:** Thrift shopping not only benefits consumers with budget-friendly and often one-of-a-kind items, but it's also environmentally beneficial. Buying used items from thrift stores helps reduce waste and the carbon footprint associated with producing new goods, making thrift shopping a popular choice for those who are environmentally conscious and looking to make more sustainable lifestyle choices.
