

Name: _____

UGLY SWEATER DAY!

Ugly Sweater Day, celebrated on the third Friday in December, is a fun and humorous holiday where people don festive sweaters featuring bold, often gaudy designs, embracing the joy and lightheartedness of the holiday season through quirky and over-the-top fashion.

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

SWEATER SALE!

\$12.77

\$12.89

\$17.77

\$20.16

$$1) 3 \times \text{Red Tree Sweater} < \underline{\$49.99}$$

$$2) \text{Purple Santa Sweater} + \text{Red Tree Sweater} + \text{Green Snowflake Sweater} = \underline{\$43.43}$$

$$3) \text{Blue Envelope Sweater} \times 6 - \text{Purple Santa Sweater} < \underline{\$109.99}$$

My Answer: _____
