# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

$$\text{broccoli} = 14 \quad \text{carrot} = 21 \quad \text{avocado} = 7$$

1  $0.1 \times \text{carrot} = 0.21$

2  $\text{broccoli} \times 0.5 = \text{avocado}$

3  $0.2 \times \text{carrot} = 4.2$
