# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

## BREAKFAST MENU

3 Waffles: \$11.01

5 Pancakes: \$3.90

$\frac{1}{2}$  Dozen Bagels: \$2.64

16 oz Coffee To-Go: \$3.52

- 1) The unit cost per waffle is \$3.67 and the unit cost per pancake is \$0.78.
- 2) The unit cost per ounce of coffee AND the unit cost per bagel is \$0.22.
- 3) The unit cost of one bagel is less expensive than the unit cost of one pancake.
