

Name: _____

HAPPY WATERMELON DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Watermelon} + \text{Watermelon} + \text{Watermelon slice + Jar} = 36$$

$$\text{Watermelon slice} + \text{Watermelon} + \text{Watermelon slice} = 28$$

$$\text{Watermelon} = \text{Watermelon slice + Jar}$$

$$\text{Watermelon slice} + \text{Watermelon slice on stick} + \text{Watermelon slice} = 21$$

$$\text{Watermelon slice on stick} \times \text{Watermelon slice} + \text{Watermelon} + \text{Watermelon} = ?$$

My Answer: ? = _____

Key:

Full Watermelon=12

Watermelon Slice=8

Watermelon Juice=12

Watermelon Pop=5

?=104
