

How to Set Up Your Mashup Math Membership Account

1.) Start by visiting www.mashupmath.com/membership-plans

Choose a monthly, bi-annual, or annual plan

Choose your plan.

Monthly Membership	Bi-Annual Membership	Annual Membership
 US \$4.99 US \$2.99/month billed monthly	 US \$39.99 US \$17 /6 months billed biannually	 US \$47.88 US \$29/year billed annually
Free 7-Day Trial Included	Free 7-Day Trial Included	Free 7-Day Trial Included
JOIN TODAY	JOIN TODAY!	JOIN TODAY

2.) Fill in your user information

Next, you will be redirected to a webpage that looks like this.

First Name* Last Name*

Email*

Confirm your email*

Your Password*
Minimum 8 characters

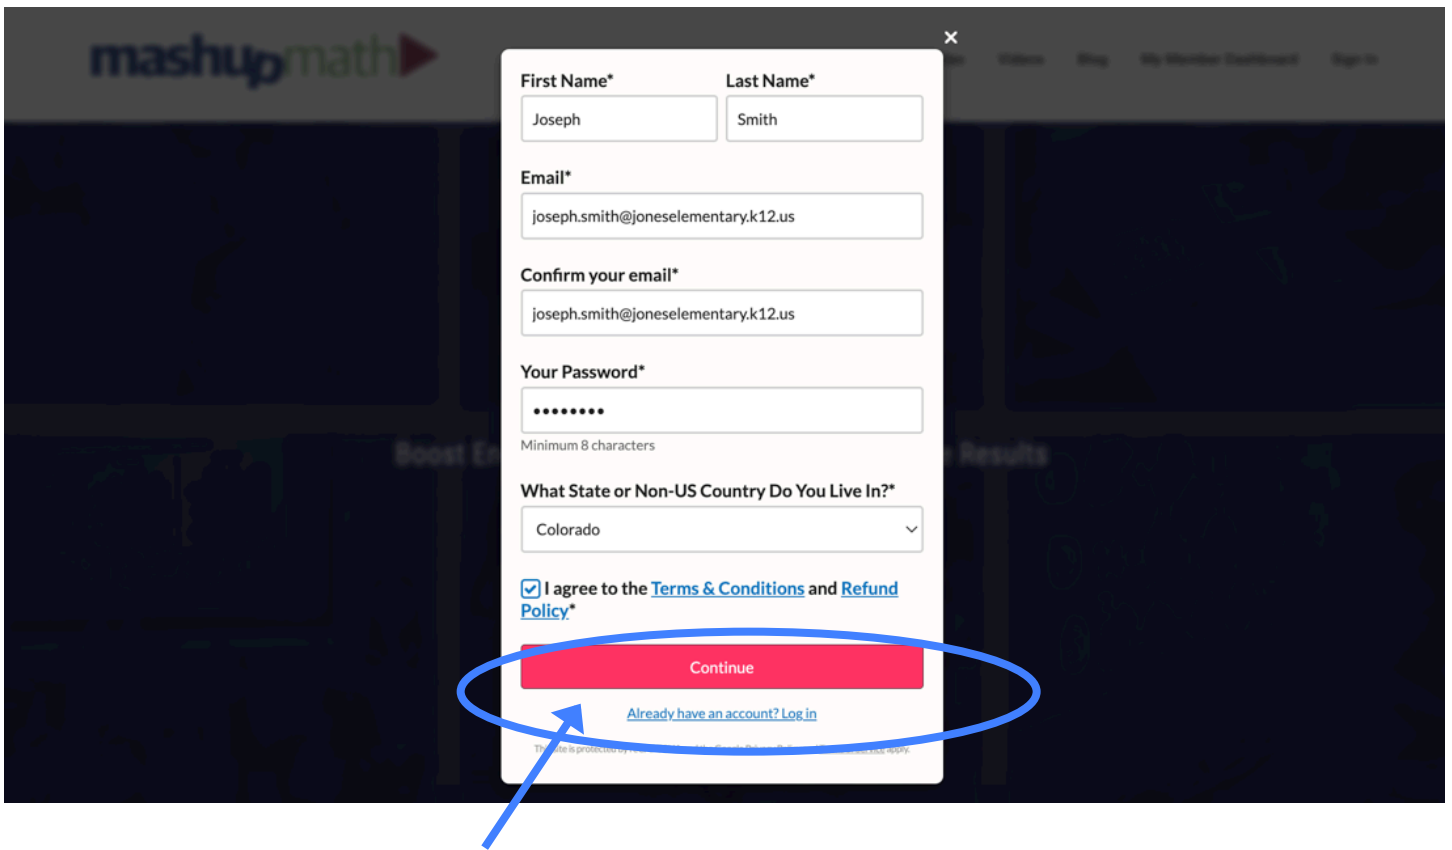

What State or Non-US Country Do You Live In?*

I agree to the [Terms & Conditions](#) and [Refund Policy](#)*

[Continue](#)

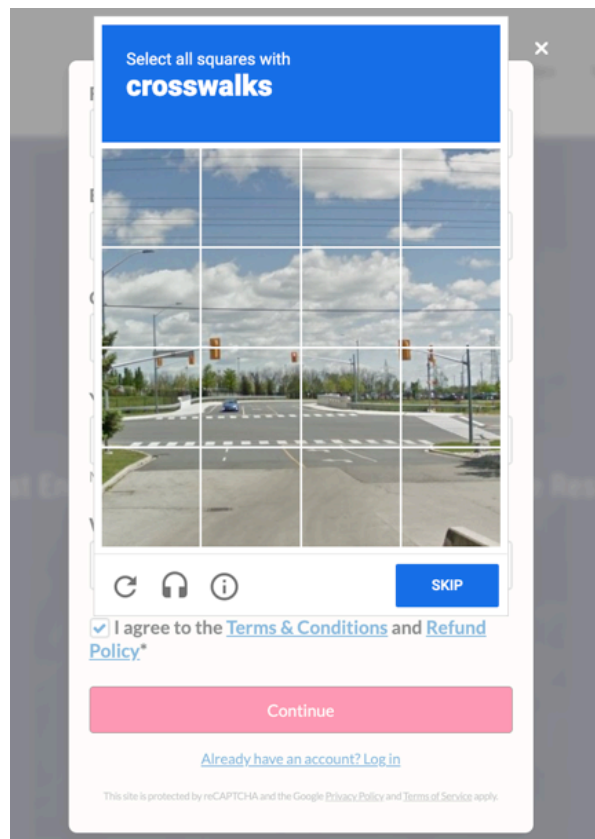

[Already have an account? Log in](#)

From here, fill in each text box as follows. Be sure to input an email address that you will have reliable access to. This email address will double as your username.

Once you have completed each box, make a note of your username and password, and agree to the Terms & Conditions, click the Continue button.

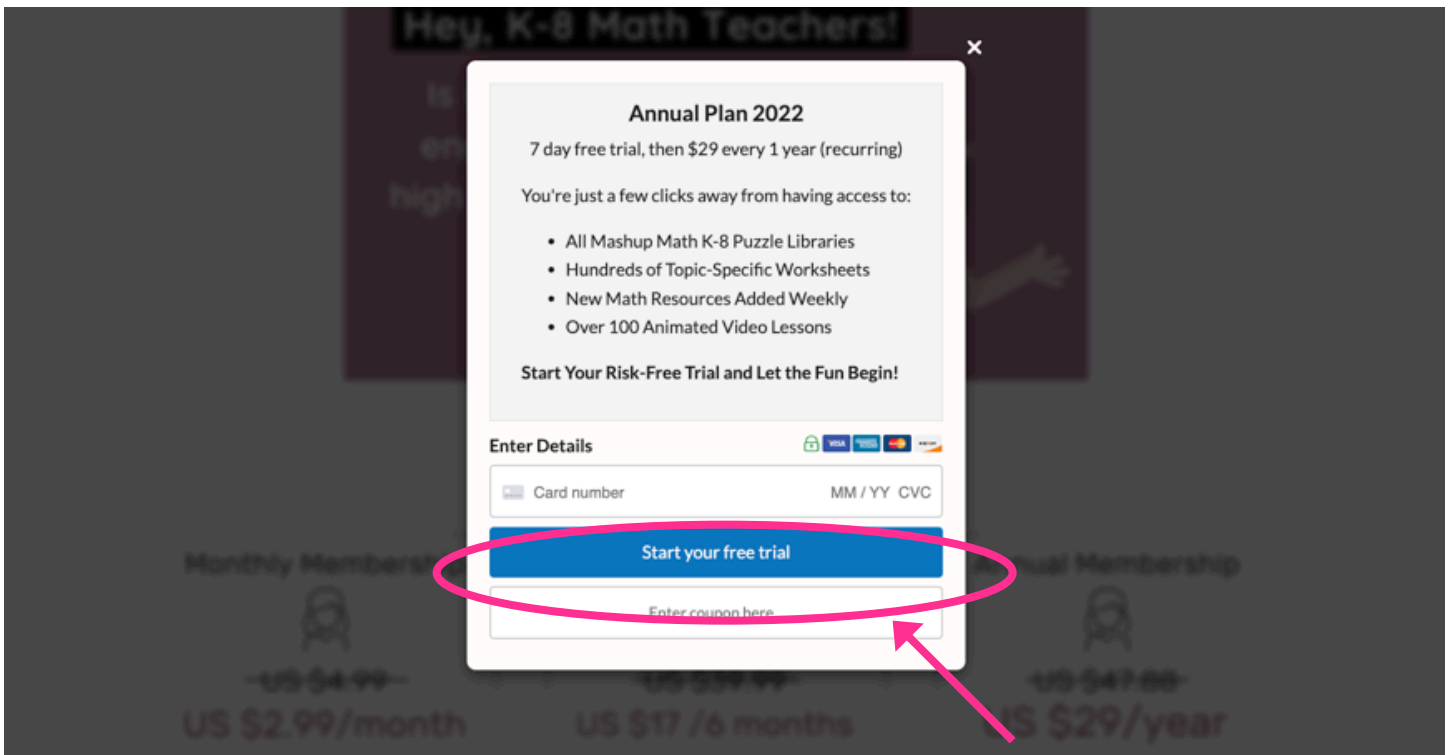

*Note that you may have to complete an additional security verification step similar to the image below:

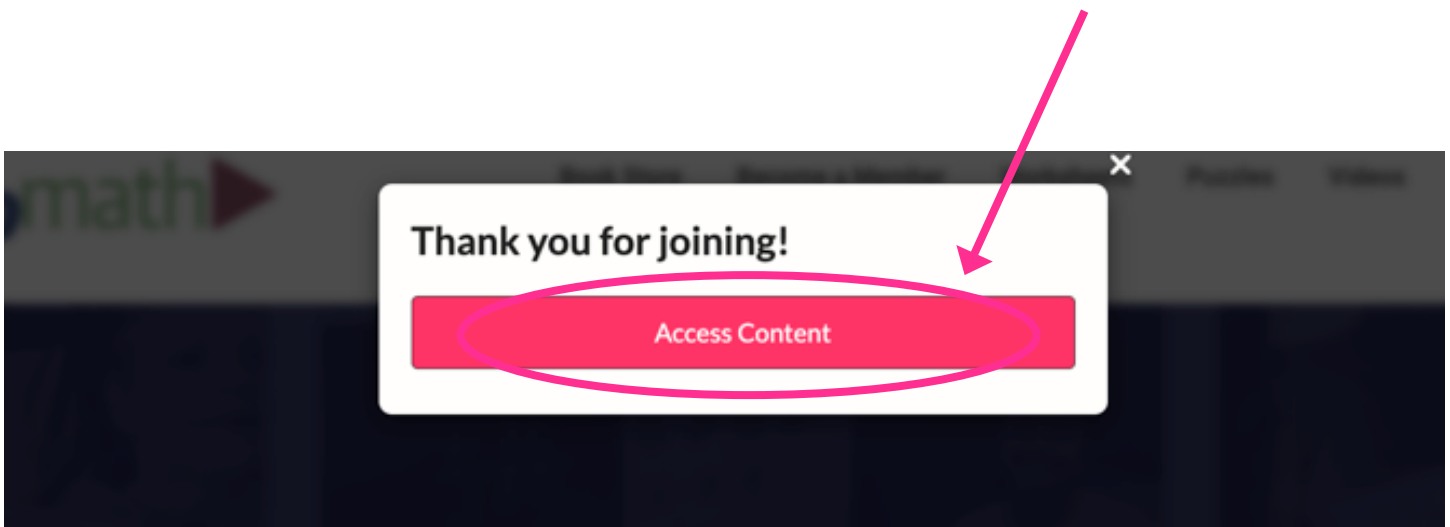

3.) Enter your payment information

The next step is to enter your payment information. You will **not** be charged at this time.

*While we do require that you enter your payment information in order start your free trial, you will **not** be charged and your information will not be stored if you cancel your membership plan during the trial period.

Click **Join Now**. After you click, you will see a **Thank you for joining!** confirmation message. Click the Access Content button to continue.

4.) Access your member dashboard.

You are now ready to access your member dashboard. Be sure to make a note of your username and password. Do not share this information with anyone else!
