

Name: _____

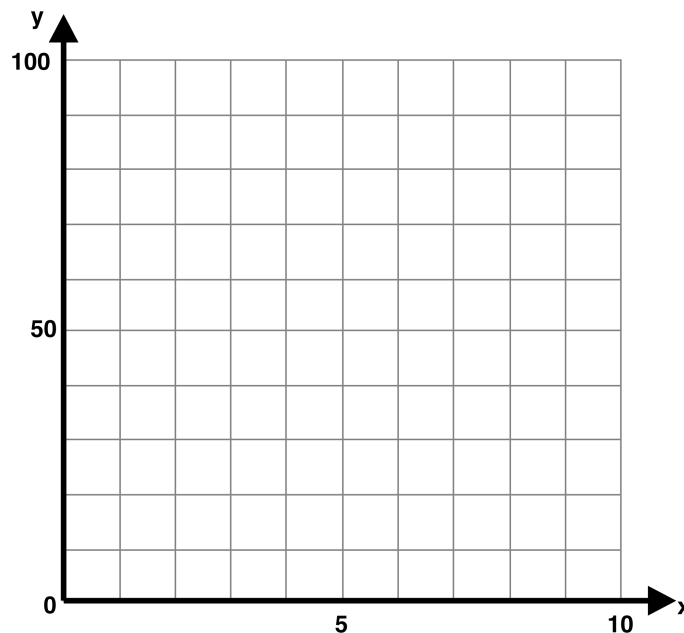

Practice with Scatter Plots

Part I: For each graph, state whether the correlation is positive, negative, or none.

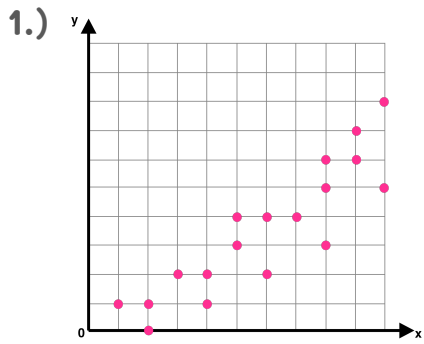

Part II: Construct a scatter plot using the given table and determine the correlation.

x	y
1	90
2	70
3	60
4	70
5	60
6	40
7	20
8	30
9	10
10	0

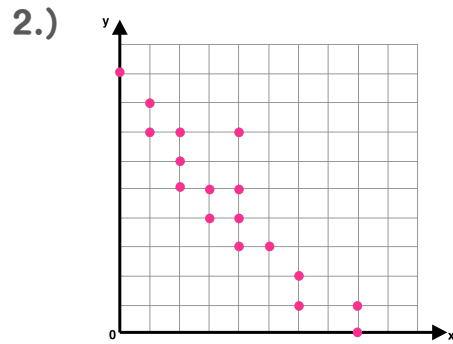

ANSWER KEY

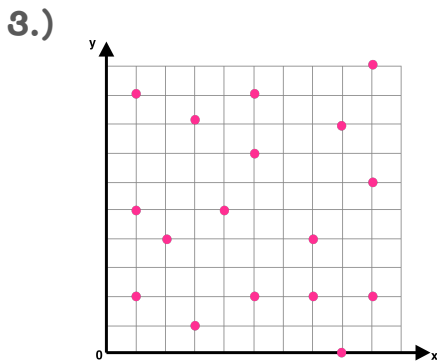

Part I: For each graph, state whether the correlation is positive, negative, or none.

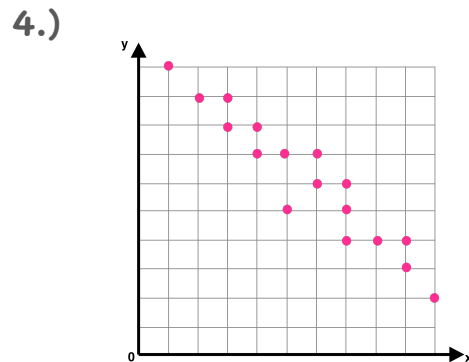

positive

negative

none

negative

Part II: Construct a scatter plot using the given table and determine the correlation.

x	y
1	90
2	70
3	60
4	70
5	60
6	40
7	20
8	30
9	10
10	0

negative
